

## “Anna” Crocheted Doll Pattern

Designed and crocheted by Becky Ann Smith.

Disclaimer: I do not own or make any claim to this character. It is the property of the Walt Disney Corp.

I have only recently begun writing crochet patterns, so there may be errors here, which I will probably not be able to tell you how to fix! ☺ Please bear this in mind. The pattern is probably best attempted by experienced crocheters.

I used Herrschner’s 2-ply Afghan Yarn for this doll, and a size 1 steel crochet hook. You will also need a yarn needle, polyester fiberfill, craft glue, 2 small blue buttons and one small black button.

The doll is about 7 inches tall.

Yarn colors: Cream, Cool Blue, Cobalt, Black, Ginger, Pomegranate, and Guava – about 100 yards of each (half a skein). Small amounts of green and yellow.

This doll was made using these stitches:

sc=single crochet

hdc=half-double crochet

dc=double crochet

decrease=1 sc combining 2 stitches

I used continuous rows for almost all of this doll. You can also join each row and chain 1. This will leave a ‘seam,’ but makes it much easier to count rows! Do not turn pieces unless the pattern states specifically to turn.

Armhole should have 10 stitches around. Leave length for sewing.

Stuff arms with polyester fiberfill.

Sew arm to torso (top of arm should be on Row 19, bottom of arm on Row 22).  
Sew second arm to opposite side of torso.

## **Ears**

### **Make 2**

With Herrschner's cream yarn, chain 4. 2 sc in second chain from hook. 1 sc in each of next 2 sc. End, leaving length for sewing. Sew ears to sides of head. Top of ear should be on Row 9, bottom of ear on Row 12. Weave in ends.

## **Hair**

Cut 50 12-inch strands of Ginger color yarn. Starting with the stitch just above and in front of one ear, on front of head, pull 2 strands through that stitch. Working at an angle, pull 2 strands through the next stitch on each row from row 9 to row 2. Repeat on other side of face beginning with the stitch above the ear. There should be 3 or 4 stitches without yarn strands on Row 2. Pull 3 strands through each of these.

On row 3, pull 2 strands of yarn through each of the center 3 stitches and knot. These will be the bangs.

On back of head, apply a layer of craft glue. Flip hair back and press into glue. Arrange so there are no loose or out-of-place strands. Let glue dry, braid hair.

Tie braids with strands of ginger yarn. Trim ends.

Cut bangs to desired length. Use a small amount of glue to set them in place.

## **Eyes**

Sew two small blue buttons 8 stitches apart on row 9 of head.

In between each curve at bottom of skirt, embroider a few stems and leaves with green yarn (I just made straight lines, each covering about 3 rows). With pink yarn (I used the Guava color, but any pink will do) embroider a simple flower: I did a straight line with a stitch in the middle to make it curve, and a french knot just above that. There will be 7 flowers around the skirt.

Fit vest on doll. Sew front together using black thread length. Weave in end. Tie yellow yarn together at top and bottom of vest. Weave in ends.
