

## “Kristoff” Crocheted Doll Pattern

Designed and crocheted by Becky Ann Smith.

Disclaimer: I do not own or make any claim to this character. It is the property of the Walt Disney Corp.

I have only recently begun writing crochet patterns, so there may be errors here, which I will probably not be able to tell you how to fix! ☺ Please bear this in mind. The pattern is probably best attempted by experienced crocheters.

I used Herrschner’s 2-ply Afghan Yarn for this doll, and a size 1 steel crochet hook. You will also need a yarn needle, polyester fiberfill, craft glue, and 2 small (1/4 inch) brown buttons. The doll is about 8 inches tall. You could also use 4-ply yarn and an aluminum size D hook for a larger doll.

Yarn colors: Cream, Forest Green, Black, Gray, Beige – about 100 yards of each (half a skein), a small amount of Victorian Red

Stitches used:

slip stitch

sc=single crochet

hdc=half-double crochet

dc=double crochet

decrease=1 sc combining 2 stitches

cluster = pull up loop in each of 4 stitches, pull yarn through all loops on hook

I generally use continuous rows for circular parts (head, torso, arms, legs). You can also end each row by joining and chaining 1 (it’s easier to keep track of rows this way, but it does create a ‘seam’). Do not turn pieces unless the pattern states specifically to turn.

Arrange hair evenly around head. Apply a thick layer of craft glue to back of head, rows 2-10. Press hair down into glue, taking care to keep it straight. Trim hair straight across at shoulder line. It will have a 'boxy' look. Trim at an angle, starting about halfway down the head, until hair is desired length and shape.

On front of head, apply a layer of craft glue about 2 rows wide, from ear to top of head, across the forehead, and down to other ear. Press hair into glue. Cut straight across face, halfway down head. Trim at an angle, feathering bangs carefully until they look right!
